## ST SPORTS OVER SUCCESS AFTER REVIEW

### Material Coming From County Cities Will Strengthen Team

The women's sport season was successful throughout, according to Mrs. Ellen Foote and Miss Anderson, instructors. The spirit of all the girls at the banquet held last Thursday night also seemed to be successful.

At the beginning of the year, there was little old material to work upon. The call for candidates for various sports was put up, and many volunteers. With coaching on the part of the instructors, and initiative on the part of the girls, the sports, as reported for the year, were well formed which Santa Ana could be proud of. During the year, four basketball teams, two baseball teams, and two swimming teams were

year's outlook was the sport was a better one than this year's, as mentioned on page 40.

## PARK IS ED CAPTAIN TENNIS TEAM

### Varsity Team Will Be Used Largely of Vets

The varsity tennis team, under the direction of Ed Park, has been

selected. The team consists of Park, 6' 1", 175 lbs., 1926; Borden, 6' 1", 175 lbs., 1926; Chandler, 6' 1", 175 lbs., 1926; and Kulkhose, 6' 1", 175 lbs., 1926.

Park, Borden, and Chandler, will be here next year, but Kulkhose is expected to be here for a championship. Borden, Chandler, and Kulkhose are expected to be here for a championship. Borden, Chandler, and Kulkhose are expected to be here for a championship.

Walter L. Scott

Walter L. Scott, head of the Physical Education Department of the Santa Ana City Schools and coach of the Don basketball team for the past two years, will not be able to coach the Don basketball team the coming year. Mr. Scott stated that due to his present position, he would not be able to devote sufficient time to the job of coaching.

His basketball team, for the past two years have been exceptionally good and it is a shock to hear of his withdrawal from the Don coaching staff.

## CASABA SQUAD FOR NEXT YEAR WILL BE GOOD

### Three Lettermen Returning While Many Former High School Stars will Enroll

One of the men which Santa Ana junior college has become known is through its sports and spirit seasons, particularly the basketball season. The Don basketball team is usually made up of men from high school stars, and the Don basketball team is usually made up of men from high school stars.

Men who are returning from high school are many, and the Don basketball team is usually made up of men from high school stars.

Willard White, a consistent guard, will be back after his old position. He, like the other, with much work will probably retain his old position.

Lois Hague, the third returning letterman, will be after the other forward position. Although a trifle slow, Hague is a dead eye when near the basket and will score points con-

(Continued on page 4)

## PROSPECTS ARE BRIGHT FOR TRACK TEAM

### Captain Elect Guyer, Hind Both Return; High School Stars Expected

Track is undoubtedly holding its position in the eyes of the world of athletes because of the opportunity it offers for the competitor to rely on himself. In track there is no one to help the athlete when he is tired; no one to share in the responsibility; no one to take the blame of defeat. The man has an opportunity to do by himself and thereby to gain self confidence.

Track in our college has played an important part in the development of a spirit. Students cannot but get excited and thrilled when their friends are taking medals from the judges. Is there anyone who doesn't remember or hasn't heard how Vawter, habitually won his half mile, mile, and two mile runs at the Santa Bar-

bara meet; and how Claves has turned up the track in little more than record time; and how Weber would run the fifties in 16 seconds flat regularly.

The past year was an especially successful season under the leadership of Captain Guyer. Two of the men who have been that very thing.

The Don basketball team, under the direction of Ed Park, has been selected. The team consists of Park, 6' 1", 175 lbs., 1926; Borden, 6' 1", 175 lbs., 1926; Chandler, 6' 1", 175 lbs., 1926; and Kulkhose, 6' 1", 175 lbs., 1926.

And the best part of it is that a number of the one point winners are coming back next year. Coach Bill Cook said he has the snappiest team the college has ever seen next year as those returning combined with those entering from high school are the best prospects ever seen for a Santa Ana junior college team.

## DON BASEBALL TEAM OUTLOOK GOOD FOR '29

### Four, Possibly Five Veterans Will Return Next Year

The outlook for baseball next year is very bright, because as a nucleus to build around, Coach Clyde Cook has four lettermen returning besides a lot of material coming from high schools.

Baseball this year seemed just to get a toe hold as all sports have to do before coming forth with a championship team.

Of the lettermen returning there will be "Red" Smiley who played center field for the Dons this year and was one of the best fly chasers in the conference. There will be Willard White who showed them how to stop the ball when it came his way at second. Roach will be back with us taking them off the hot bag. Edson will be back to catch for the Dons.

From the high school will come some more valuable material. From Santa Ana high school there will be Orville Schuchardt, who can catch them in the field, and is also a good first baseman; Melvin Beatty, who will show his wares behind the rubber; and Dugger, who is another fly chasing bloodhound.

We have also Pete Lehr, a finished product who was unable to play this year, but who will be going strong next year at short stop.

## NEW SWEATERS FOR LETTERMEN HAVE ARRIVED

### Distinctive College Colors Of Scarlet And Black Made Up In New Sweaters

Twenty-nine lettermen are now the proud possessors of the scarlet and black letterman sweaters. The sweaters ordered through T. J. Neill arrived last Saturday.

The new school colors show up very satisfactorily in the sweaters, and the general opinion seems to be that they are very well liked.

It is indeed considered a privilege to be in possession of one of the sweaters because they are representative of hard and faithful work on the athletic field. Because these men have proved themselves so proficient in football, basketball, baseball, and track the student body ought to consider it an honor to let these men display the school colors in their

## Editorial Comment

## The Spirit of Winning or Losing

"It's the striving, not the goal, that makes a spirit stronger." Such is the enthusiastic ideal which has this year been prevalent in Don athletics. Doing away with spectacular individualism, and emphasizing not the winning but the game, the college sport seasons have come to a successful conclusion. May we hope for a loyal and interested sports spirit in the future.

## To The Front

Another chapter closes and with it another year of campus life. The women of the college have merited praise for their successful sport seasons and much credit is due the instructors, Diana Anderson and Ellen Foster. This year has culminated with an ideal of sport for sport's sake. All a ready and enthusiastic interest in the interest of the game and that a strong athletic may be induced on still going.

STUDENT BODY ELECTION FOR  
NEW OFFICERS COMES MOSANTA ANA IS  
NEXT J. C. HOST

## Local College Chosen At San Bernardino Meeting

Santa Ana junior college is to be host to junior colleges of Southern California at the first discussion group of the college year 1928-29. The invitation extended by Santa Ana was accepted at the discussion held at San Bernardino, Friday, May 25. It was decided by those present that the host school will choose a chairman and secretary to make possible a successful meeting.

Problems concerned with the awarding of prizes, student control, social issues, and a number of other matters were discussed at the recent meeting.

Various means for maintaining student control in the various colleges were discussed. From the discussion, a number of resolutions were adopted. The resolutions were adopted by Santa Ana and the other colleges. The resolutions were adopted by Santa Ana and the other colleges.

Special Assembly To  
Nominations

That election of student officers will take place on Monday, June 4, 1928, following nomination special assembly today by the executive board.

Pins and memorabilia awarded in the special assembly.

Members of the student body president reigned over the faculty and the new officers are placed in the hands of the student body.
